No.F.12-11/56-M
Government of India
Ministry of Food & Agriculture
New Delhi, the 21st February 1956

From

Shri R. Varadarajan, M.A.,
Under Secretary to the Govt. of India.

To

All State Governments.

Sir,

I am directed to say that supply of fertilisers to the cultivators on credit basis at the manuring season is advocated to be one of the sure method of increasing the consumption of fertilisers. The State Govt. are no doubt making available already credit facilities to enable the cultivators to purchase large quantities of fertilisers. It is however felt that increased efforts should be made in this direction in order to maximise the consumption of fertilisers. It is proposed by this Ministry to review the progress so far made and suggest further measures which should be taken to increase the offtake of fertiliser from cultivators on loan basis. If there is no objection information on the following

P.T.O.

points may kindly be supplied to this Ministry:-

1. Quantity of fertilisers distributed on loan, the amount of loan given for the purchase of fertilisers during the past 2 or 3 years and your review thereon.

2. The target fixed if any for the issue of fertilisers, on taccavi and co-operative credit basis during the next five years.

I am to request that the State Govt. may arrange to collect the above information district-wise or region-wise as it will help this Ministry to pin point the areas where efforts for the supply of fertilisers on credit basis should be increased.

A reply is requested by the 25th March 1956.

IMMEDIATE. DESPATCHED.

NO.B-13440/AGR-61/54. Dt/ 23-2- 1956.

Yours faithfully,

(K. Varadarajan)
Under Secretary to the Govt. of India
